

▶ ARRIVAL ON THE PLANET ...

- He agreed to come to our sinful planet.
- He humbled himself to take the form of a servant—a human.
- In accepting this role he knew that he would die on a cross.
- He was rejected by his own people.

▶ LIFE ON THE PLANET ...

- He lived here for thirty plus years as humans live—eating, breathing, working, everything except sinning; he taught the truth of God.

▶ PREPARATION ON THE PLANET ...

- He prepared for his redemptive work for over thirty years: To destroy the devil, to provide deliverance from the fear of death, to become a merciful and faithful high priest, to make the wrath payment for the sins of the people of Earth, to learn obedience through suffering, to seek and save the lost people of Earth.

▶ DEATH ON THE PLANET ...

- His own people brought him as a criminal before the government authorities.
- The leaders of his religion falsely convicted him of blasphemy.
- He was doubted, ridiculed and beaten.
- He was unjustly hung on a cross.
- He died on a cross.
- He was buried in a tomb.
- He stayed in the tomb for three days.
- He was raised from the tomb on the morning of the third day.
- He made himself known to people on Earth after he was resurrected.
- He ascended to the Father.
- He is coming again to set things in perfect and glorious order.
