

### The Lord God's account of creation concerning humans ...

- God made us in his image, and after his likeness.
- God made us to be different from each other in one major way. He made us as male and female. Different equipment, different psychological makeup. You may have noticed this. The person in rebellion against God cannot even see this obvious truth.
- God formed us from the dust of the ground. Adam came from adamah.
- God breathed the breath of life into us.
- God made us higher than the "other" animals.

(Genesis 1:27 NLT) So God created human beings in his own image. In the image of God he created them; **male and female he created them.**
