

• The New Testament has 260 chapters. **The return of Jesus Christ is mentioned 300 times.** This is a dominant theme.

• **At Christ's return, there will be no doubt, no ambiguity.** Everyone will know exactly what is happening. That is how dramatic and powerful his return will be. Christ's departure from the Earth was visible and literal. He went into heaven; he will return from heaven. When Christ returns, everyone will know.

• Some wrongly believe that this return is only spiritual, or allegorical. However, **just as his first coming was prophesied as a physical, literal appearance on the Earth, so is this second coming.**

• (Luke 17:23-24 ESV) And they will say to you, 'Look, there!' or 'Look, here!' Do not go out or follow them. For as the lightning flashes and lights up the sky from one side to the other, so will the Son of Man be in his day.
