LEGEND

Naturalism

- A philosophical viewpoint according to which everything arises from natural properties and causes, and supernatural or spiritual explanations are excluded or discounted.
- The doctrine that denies a supernatural agency in the miracles and revelations recorded in the Bible, and in spiritual influences.
- A view, particularly a philosophical and artistic one, that bases everything on what can be seen, what is viewed as natural and what is viewed as Earthly.

- **The “real world” as determined by humans apart from God.**
