

- In appearance the locusts were like horses prepared for battle: on their heads were what looked like crowns of gold; their faces were like human faces, their hair like women's hair, and their teeth like lions' teeth; they had breastplates like breastplates of iron, and the noise of their wings was like the noise of many chariots with horses rushing into battle. They have tails and stings like scorpions, and their power to hurt people for five months is in their tails (Revelation 9:7-10).

- The Four Angels were untied and let loose, Four Angels all prepared for the exact year, month, day, and even hour when they were to kill a third of the human race (Revelation 9:15 The Message).
