God spoke our world into existence.

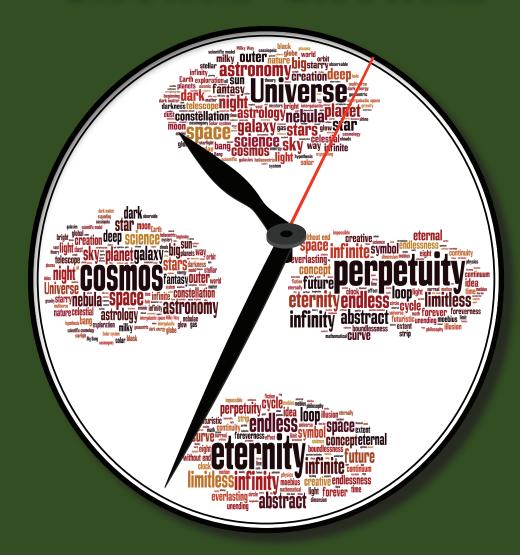

"Then God said ... And that is what happened."

(Genesis 1:6-7b NLT)

spacetime / general relativity / Quantum Field Theory / one-dimensional continuum / space-time continuum / inertial reference frames / Minkowski continuum / Riemannian space / Newton's gravitational law / black holes / interstellar space / gravitational collapse / theory of special relativity ...

God's Word—God's World

Now? Forever? Cosmos? God? How do we live in this world?

What is expected of us? How do we know?
